Independent Auditor's Review Report on unaudited standalone financial results of Dhani Loans and Services Limited for the quarter ended December 31, 2022 and for the nine-months period ended December 31, 2022 pursuant to Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To The Board of Directors of Dhani Loans and Services Limited New Delhi

- 1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Dhani Loans and Services Limited ("the Company") for the quarter and for the nine-months period ended December 31, 2022 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("Listing Regulations"). This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder, the circulars, guidelines and directions issued by the Reserve Bank of India from time to time ("RBI Guidelines") and other accounting principles generally accepted in India and in compliance with the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
- 2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410-'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit, conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We do not express an audit opinion.
- 3. Based on our review conducted as stated above in paragraph 2 above, except for the effects of the matter described in the Basis for Qualified Opinion in paragraph 4 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in aforesaid Indian Accounting Standards, RBI Guidelines and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 52 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion

4. As more fully explained in Note 6 to the accompanying Statement, the Company has utilised/applied an amount of Rs. 72,961.20 lakhs (net of deferred tax) from the outstanding balance in the securities premium account for creating a provision for impairment losses on financial instruments instead of debiting the same to the Statement of Profit and Loss, which is not in strict accordance with the applicable Indian Accounting Standards and other applicable regulations. Consequently, the Company's the profit after tax and total comprehensive income for the year to date period ended December 31, 2022 are overstated by the aforesaid amount. There is no resultant impact on the carrying value of the total equity, assets and liabilities of the Company.

Emphasis of Matter

5. We draw attention to Note 4 to the Statement, which describes the effects of uncertainties relating to the COVID – 19 pandemic outbreak on the Company's operations, that are dependent upon future developments, and the impact thereof on the Company's estimates of impairment of loans to customers outstanding as at December 31, 2022 and that such estimates may be affected by the severity and duration of the pandemic and the actual credit loss could be different than that estimated as of the date of these Un-audited standalone financial results. Our conclusion is not modified in respect of this matter.

Other Matters

6. As described in Note 5 of the accompanying Statement, the figures for the quarter ended December 31, 2022 are the balancing figures between reviewed figures in respect of the nine-months period ended December 31, 2022 and the reviewed figures for the half year ended September 30, 2022. The figures for the quarter ended December 31, 2021 are the balancing figures between reviewed figures in respect of the year to date period ended December 31, 2021 and for the half year ended September 30, 2021.

Our review report dated February 10, 2023 contained the following:

a) Qualified Opinion:

As more fully explained in Note 6 to the accompanying Statement, the Company has utilised/applied an amount of Rs. 72,961.20 lakhs (net of deferred tax) from the outstanding balance in the securities premium account for creating a provision for impairment losses on financial instruments instead of debiting the same to the Standalone Statement of Profit and Loss, which is not in strict accordance with the applicable Indian Accounting Standards and other applicable regulations. Consequently, the Company's the profit after tax and total comprehensive income for the period from April 1, 2022 to December 31, 2022 are overstated by the aforesaid amount. There is no resultant impact on the carrying value of the total equity, assets and liabilities of the Company.

b) Emphasis of Matter:

We draw attention to Note 4 to the Statement, which describes the effects of uncertainties relating to the COVID – 19 pandemic outbreak on the Company's operations, that are dependent upon future developments, and the impact thereof on the Company's estimates of impairment of loans to customers outstanding as at December 31, 2022 and that such estimates may be affected by the severity and duration of the pandemic and the actual credit loss could be different than that estimated as of the date of this Statement. Our conclusion is not modified in respect of this matter.

Our opinion in paragraph 12 of this report should be read in conjunction with the qualified opinion paragraph and the emphasis of matter reported in our review report dated February 10, 2023. Such review was not planned and performed in connection with any transactions to identify matters that maybe of potential interest to third parties.

- 8. We conducted our examination of the Statement in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.
- 9. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
- 10. For the purposes of this report on the accompanying Statement, our scope of work did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial results of the Company taken as a whole. We have not performed an audit of the accompanying Statement, the objective of which would be the expression of an opinion on the financial results, specified elements, accounts or items thereof, for the purpose of this report. Accordingly, we do not express such opinion in respect of the accompanying Statement.
- 11. A limited assurance engagement includes performing procedures to obtain sufficient appropriate evidence on the applicable criteria, mentioned in paragraph 6 above. The procedures performed vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement. Consequently, the level of assurance obtained is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Accordingly, we have performed the following procedures in relation to the Statement:
- a) Obtained a copy of the Limited Reviewed Financial Results of the Company, which have been approved by the Board of Directors of the Company at their meeting held on February 10, 2023.
- b) Traced and agreed the balances of assets and principal and interest amount of the Debentures outstanding as referred to in the accompanying Statement, from the reviewed standalone financial information of the Company as at December 31, 2022.
- c) Obtained and read the Debenture Trust Deeds entered in between the Company and Debenture Trustees in respect of the Debentures and noted the particulars of asset cover required to be provided by the Company in respect of the outstanding balance of principal and interest accrued thereon in respect of the Debentures.
- d) Obtained representation from the management of the Company that the assets referred to in the Statement are free of any encumbrances other than being hypothecated by way of a pari passu charge towards its secured lenders as referred to in the Statement. Such representation has been relied upon by us and no further procedures have been performed in this regard.
- e) We have verified the arithmetical and clerical accuracy of the Statement.
- f) Performed necessary inquiries with the Management and obtained other necessary representations.

Conclusion

12. Based on the procedures performed, as stated in paragraph 11 above, and according to the information and explanations given to us and based on representations by the management of the Company provided to us, in our opinion, nothing has come to our attention that causes us to believe that the figures as set out in the accompanying Statement are not, in all material respects, in agreement with the Limited Reviewed Financial Results, the unaudited books of account and other relevant records maintained by the Company and that the asset cover ratio maintained by the Company is not as per the terms of the Trust Deeds.
